5 Pack the item(s)

Pack all items securely using bubble wrap or other protective material. There should be no wiggle room, and fragile parts must be well protected. Refunds are not given for damaged items. Cut out the label at right, and then enclose this completed form in the box.

We recommend insuring the item and using delivery confirmation. Allow 3-4 weeks for processing. If you need the exchanged item sooner, please call or email us and we will process the exchange as a new order.

6 Affix address label to box

Use clear tape to attach this label to your package.
